

## **TRASH CAN WASHER MODEL TCW-100**

**THIS EQUIPMENT WAS DEVELOPED FOR SCHOOLS, RESORTS,  
HOSPITALS, SUPERMARKETS AND MANY INSTITUTIONS  
THAT HAVE A NEED TO CLEAN WASTE CONTAINERS  
IN A SIMPLE AND SAFE WAY.**

## **Trash Can Washer Model TCW-100**

Virus and bacterias that build up in trash containers and garbage cans may cause more than bad odors, they can also make your coworkers and your family sick.

The TCW-100 is our brand new trash can washer unit constructed with high-quality stainless steel. It was designed with longevity, efficiency, and simplicity in mind. The only requirement is a simple 120v wall outlet and a source of water. Any sanitizer or soap solution can be used offering a high level of versatility. In combination with the utility of our high-pressure rotary wash nozzle, the TCW-100 is guaranteed to fully wash 360° of your container's surface area.

Designed, developed and assembled in the USA: All parts and components that go into the equipment are designed and developed meeting all American standards.

### **Advantages**

- Eliminates virus and bacterias if using sanitizer or soap solution .
- Eliminates Rodent and Insect Infestation
- Reduce Risk of Cross Contamination
- Protects Against Health Hazards
- Remove Odors and Improve Hygiene Standards
